Description

Deaths coming under medical examiner jurisdiction vary considerably in their causes and presentations. Law Enforcement, First Responders and Medical Examiners must be familiar with the spectrum of such deaths, as well as the various other investigative agencies and issues that may impact such investigations. This course is intended to specifically review a number of death investigation issues including mass fatalities, identification, the infectivity of dead bodies and restraint deaths. There will also be presentations on the application of forensic techniques in investigating crimes against humanity, the difference between actual capabilities of the forensic sciences and its depictions in the media, and a review of genital injury in children.

Target Audience

This course has been designed for physicians, law enforcement officers, emergency service providers and other agencies and individuals who are involved in medicolegal death investigations.

Educational Objectives

- The information presented at this educational activity should improve your ability to:
1. Explain the process by which mass fatality incidents should be handled
 2. Identify the various mechanisms by which deaths may occur in law enforcement custody
 3. Discuss how forensic scientists aid in the investigation of crimes against humanity
 4. Recognize the actual infectious potential of a dead body
 5. Discuss and understand the various methodologies and principles involved with human identification
 6. Recognize the range of normal verses pathological genital anatomy that may be encountered in the child abuse examination
 7. Identify the differences between the media's depiction of the forensic sciences and reality

Accreditation

The School of Medicine of The University of North Carolina at Chapel Hill is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit

The School of Medicine of The University of North Carolina at Chapel Hill designates this educational activity for a maximum of **7.5 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosure

In accordance with the ACCME essentials and Standards, everyone involved in planning or presenting this educational activity will be required to disclose any relevant financial relationships with commercial interests in the healthcare industry, and this information will be made available to participants at the start of the activity. In addition, speakers who incorporate information about off-label or investigational use of drugs or devices will be asked to disclose that information at the beginning of their presentation.

Registration and Fees

The registration fee is \$80 for professionals and \$45 for students. This includes teaching materials, continental breakfast, lunch, and breaks. All registrants must complete attached registration form. Registrations will not be processed unless accompanied by full payment (check, Visa or Mastercard). You may register by faxing your form (with credit card information) to 919-962-1664, or by mailing your form (with payment) to the address on the registration form. For questions about registration, please call 919-962-2118. The deadline for registration is **June 2, 2006**.

Refund Policy

All registration fees include a non-refundable administrative fee of \$25.00. A refund of the registration fee (less \$25) will be processed

for anyone who cancels no later than **June 2, 2006**. Cancellations received after **June 2, 2006** will not be refunded. Receipt of registration does not ensure activity attendance because seating is sometimes limited. Accepted registrations are confirmed via mail within 10 business days. UNC CME recommends that you do not make any travel arrangements prior to receiving a receipt of payment or confirmation. UNC CME is not responsible for any travel-related costs.

Conference Location

The conference will be held at The William and Ida Friday Center for Continuing Education, located approximately three miles east of the UNC –Chapel Hill campus on Friday Center Drive. Participants may be reached during the conference at 919-962-3000.
